Sir:

In response to the Notice of Non-Compliant Amendment dated April 18, 2007, please note that the Reply filed on February 22, 2007 was in compliance under the rules. As explained in the remarks of that Reply, the listing of the claims is believed to be in compliance under MPEP rules for reissue. Please note that the listing of the claims based on regular patent prosecution is not applicable to reissue applications. However, as explained in the Remarks of the Reply filed February 22, 2007, a listing of the claims was provided as a precaution in view of confusion occurring at the Patent Office as to whether the listing of claims is applicable to Reissue applications. As required under 37 C.F.R. §1.121(h), the

Applicants again attach herewith the Reply filed February 22, 2007 which includes the listing of the claims in reissue format and an Appendix containing a listing of claims under the regular patent application rules.

Should the Examiner have any questions regarding the above-identified application, the Examiner is invited to contact **Daniel Y.J. Kim** at the telephone number listed below.

Please charge any shortage in fees due in connection with the filing of this, concurrent and future replies, including extension of time fees, to Deposit Account 16-0607 and please credit any excess fees to such deposit account.

Respectfully submitted,
